A RARE CHANCE TO PURCHASE PROPERTY
IN A RAPIDLY GROWING CITY IN
SOUTHERN WISCONSIN!
Three Hundred Lots at Auction,
IN THE
CITY OF JANESVILLE, ROCK COUNTY, WIS.

WILL be offered at public sale on the 23d day of October next THREE HUNDRED CHOICE LOTS, situated around and within 200 rods of the Union Depot of the Milwaukee & Mississippi, Chicago St. Paul and Fond du Lac, and Southern Wisconsin Railroad Companies being among the choicest property within the limits of the city.

Next to Milwaukee Janesville ranks as the most flourishing and healthy town in Wisconsin. Without any excitement in speculation to hasten or force on its progress from the beauty and healthfulness of the situation, its extensive water power, (the Rock River affording two powers within the city,) and the fact that it draws the trade of a large district as rich in agricultural resources as any in the Great West, the town has had a steady, and at the same time a rapid growth. The number of inhabitants now exceeds 9,000, and visitors cannot fail to be impressed with the evidences of business and enterprise present on every hand.

By the completion of the Chicago road the place is brought within two hour's travel of the Great Emporium of the Northwest, and this connection is destined to make rapid advances in the growth of Janesville and the property of all the country round about. The Southern Wisconsin road leads in from the west, and will be in operation next summer as far as Monroe the county seat of Green county thirty miles distant. In the course of the next two years, this will be the centre of five railroads, and even now is the great produce market of southern Wisconsin.

The Rock River Valley is the garden of the Northwest, unsurpassed in its natural resources, and everywhere presenting beautiful landscapes of prairie and Oak openings.

The attention of all who wish to avail themselves of an opportunity to make profitable investments, or to purchase a site for a home, is solicited. Abstracts of title, and particular information can be had from the undersigned.

Terms of sale—One-fourth cash, and the remainder in equal instalments at one, two and three years—interest seven per cent., and security on the property.

THE DAILY SENTINEL.

RUFUS KING & WM. H. WATSON,
PROPRIETORS,
Under the Name and Firm of Rufus King & Co.

MILWAUKEE:
Wednesday Morning, Nov. 5.

PROCLAMATION.

A year of general peace and prosperity is drawing to a close. During this period our young State has steadily advanced in her rapid career towards wealth and greatness. Her resources have received an ampler developement. New avenues of trade and intercommunication have been opened, and a fresh impetus given to all departments of industry. Labor in all legitimate spheres of exercise has been bountifully rewarded. A generous harvest has filled the land with plenty, while health and happiness have prevailed within our borders. In the enjoyment of these temporal blessings, we should not be unmindful of of the Gracious giver of all good gifts, the manifold exhibitions of whose favor and guardian care, meet us on every hand, and, that we may express our gratitude for these bounties, I hereby appoint Thursday, the 20th day of November next, to be observed as a day of Public Thanksgiving and Praise throughout the State.

In testimony whereof, I have hereunto subscribed my name and caused the Great Seal of the State of [L. S.] Wisconsin to be affixed. Dated at Madison, Wisconsin, 20th day of October, 1856.

By the Governor, COLES BASHFORD.
Jno. W. Hunt, Ass't Secretary of State.

THE GENERAL RESULT.

NINE STATES SURE FOR FREMONT.

We are able to announce this morning, from the very full returns received last night, that, so far, nine States are pretty sure for Fremont and Dayton, their names and electoral votes being as follows:

	Vote.
Maine	8
New Hampshire	5
Vermont	5
Rhode Island	4
Massachusetts	13
Connecticut	6
New York	35
Ohio	23
Michigan	6
Wisconsin	5
	110

Our chances, we think, are fair for Illinois, which would give us 11 votes more, and we can safely count on Iowa, with 4, making us 125 electoral votes. Pennsylvania has gone for Buchanan.

Let the result be what it may, there was a good day's work done for Freedom yesterday, which deserved, if it has not won success.

OUR STATE AND COUNTY.

Our returns from this State are not yet sufficient to determine the result beyond doubt, tho' they point strongly to the success of the Republican ticket. In this city and county, the Buchanan majority is unexpectedly heavy—not less than *four thousand*. The vote is unprecedentedly large; that of our city reaching the enormous aggregate of *seven thousand five hundred*—an increase of *fifty per cent* over the very large vote of last fall. Upwards of 1500 new voters were made in this city within the fortnight preceding the election, four-fifths of whom voted the "regular democratic" ticket. Our Republican friends bore up nobly against these odds, and put Mr. Potter *ahead* of his ticket in this city. It is a pleasure to add that with rare and insignificant exceptions, quiet and good order prevailed at all the polls.

The Republican vote reaches nearly or quite 3000, being almost double any previous vote.

CONGRESS.

The returns indicate the election of Mr. Hadley (dem.) in this District, in place of Mr. Wells (dem.,) and of Mr. Washburne, (Rep.) in the Second District. As to the Third District, we are still in the dark, though we confidently hope to announce the the re-election of Mr. Billinghurst, (Rep.)

THE LEGISLATURE.

We give the names of such of the members as we have actually heard from, or deem certainly elected from the tenor of the returns. They include 5 republican and 2 democratic Senators, and 14 republican and 11 democratic Assemblymen.

Glorious Old Rock!—Judging from the returns received, the Republican majority in Rock county will exceed 2500, and may run up to 3000. Rock also sends a unanimous delegation (Senator and 5 Assemblymen) to the next Legislature.

Milwaukee County—1855.

We give below the vote in this county in 1855 on Governor, as a basis of comparison with the vote of yesterday:

City	Bashford	Barstow
1st ward	477	902
2d "	169	1354
3d "	165	615
4th "	234	296
5th "	149	305
6th "		
7th "		
Towns.		
Milwaukee	19	152
Granville	59	186
Wauwatosa	184	272
Greenfield	74	217
Lake	94	123
Oak Creek	94	104
Franklin	81	100
Total	1749	4627

Note.—The 1st and 7th, and the 2d and 6th, voted together last year.

Congressional Vote of 1854.

The following is the vote of this congressional district by counties, as cast at the election of 1854:

Counties	Spooner (R.)	Wells (D.)
Kenosha,	934	575
Milwaukee	1617	3851
Racine	1364	1161
Walworth	1582	1217
Waukesha	1579	1711
Total	7,028	8,458

Well's majority—1,432.

Unfortunate.—We fear that, unless our majority in this State shall be quite large, one of our electors, our worthy fellow citizen Gregor Menzel, may be defeated by the error of printing his name George instead of Gregor. The mistake, which occurred in the *American*, was not discovered till four or five days before the election, and not till many ballots had been printed in the interior of the State. Thus we learn from the Portage City *Republic* that all the ballots for the south district of Sauk Co., contained the blunder, and it is hardly possible that all were corrected. Still, we hope for a sufficient majority to overcome any evil resulting from the mistake.

One of the Cheats.—The Buchaniers got up and circulated, the day before the election, a letter, purporting to come from a Know Nothing at Sheboygan, urging the members of the councils to vote for Col. Fremont, as an old member of that association. This they circulated among the Germans all through the northern and central part of the State. Small and very mean business!

New Counterfeits—Look Out.—A counterfeit on the Bank of Geauga, Ohio, is in circulation. The fraudulent note purports to be a two, and is thus described—it is probably from a genuine plate of some bank, as it is well engraved. Vignette, a man and woman separated by an oval design in lathe work, on which is a heavy figure two. The right hand of the man rests on a plow, and the left hand, with a very long fore-finger, is intending to grasp a rake. The woman holds a distaff in her right hand and a milk pail in her left. On each side of the vignette is a figure two, scroll work with a Cupid in the body of the figure two. The end pieces are alike, and consist of a figure two, die work and a fancy female head. The tail piece is a full rigged ship.

Also—Look out for counterfeit two dollar notes on the Bank of North America, Seymour, Connecticut; also, on the Bank of North America, Providence, Rhode Island, of the same issue. They have a spread eagle for a vignette, with the portrait of Clay on the lower right hand corner, and a figure of Justice on the left.

Railroad Extension into Iowa.

We have been much interested in reading, in the first number of the *North Iowa Times*, published at McGregor, Iowa, opposite Prairie du Chien, some information concerning the place; the railroad in process of construction westward, and forming a continuation of the Milwaukee & Mississippi R. R., and the country through which it passes.

As for the place, McGregor, we find the following description:

McGregor, or McGregor's Landing as it has usually been called, is on the Iowa side of the Mississippi opposite Prairie du Chien, the western terminus of the Mil. and Miss. R. R. It is not a large place measured by the number of its houses, or its topographical capacity, being situated at the mouth of a spring rivulet that winds its way from the prairies west, about three miles down a ravine or coulee flanked on either side by hills of 200 to 300 feet altitude. This ravine forms an easy grade road from the landing to the back country, a rare and very valuable advantage to the town. The bottom or basin of this coulee is too narrow to admit of much show from the river as a town site. We have often heard travellers express disappointment at its appearance when viewed from the deck of a Steam Boat. But to appreciate its capacity to become a populous and handsome City, a walk on shore is necessary.

For two miles up the coulee there is level land of a width sufficient for two or three streets; in many places quite a wide bottom intersected by other coolies of similar character to the right and left, furnishing any amount of building locality within convenient access of the Mercantile centre. These coolies are wider than they are judged to be—the deception arises from contemplating the height of the adjacent hills. Near the river, along Main street, the hill is being cut away and the earth deposited on that low portion of the front bottom which is sometimes overflowed; two lots are thus made, one in excavating, another in filling. There are many benches of land in the hill-sides suitable for dwellings and furnishing the most slendid views of this River, Prairie du Chien, the Highlands on the Wisconsin side and the Floating Palaces that are continually passing up and down the stream.

Success to McGregor! say we. The people shew a resolute spirit, certainly; and if the work of building their town becomes too hard for them. Prairie du Chien is at hand, with one of the finest sites in the world.

As to the Railroad, the *Times* says:

The first preliminary survey of the McGregor, St. Peters and Missouri River Railroad, is now completed to Clear Lake, in Cerro Gordo County, a distance of one hundred and forty miles from McGregor.

The engineer corps returned on Saturday last, and report a line of as favorable grades and as cheap in construction as any road in the West. The present survey passes through Monona, Clermont, West Union, Bradford, St. Charles, Rockford and Mason City to Clear Lake City. The feasibility of the route is now established. The Summit level is reached with grades far better than was anticipated, and the curvature Grades, and loss of distance is less than any other road leaving the Mississippi on the Iowa side. West of West Union a very fine line has been obtained, presenting every desirable feature that might be required; between most of the above points an Air Line has been run, the grade line of which lies almost even with the surface; the entire distance, showing at once economy and rapidity of construction.

The country through which this road passes is of the most beautiful and productive description, and needs only the advantage of a Railroad to develop its vast resources.

And as to the back country and business prospects, we extract the following:

"The country back of us and dependant upon McGregor for its navigating facilities is not exceeded on the globe, either in beauty, fertility or general value.

There is no waste land—no swamps, no marshes. Every foot is productive, and at the rate of settlement now going on it will not be long before every foot of land is under improvement.

The occupants of three million acres of this land in Iowa alone, counting no farther west than the books of our warehouses authorize, transact their river business at McGregor, while all the country in Minnesota south and west of the head waters of Root river, receives its freight foreign and domestic, and does its Eastern travel through this point.

The completion of the Railroad to Prairie du Chien will give us all the eastern facilities possessed by any town in the state. The neigh of the "Iron Horse" can not yet be heard, but we see the influence of his approach, in the increased activity of every man among us.

The merchant, the mechanic, and the farmer move quickly, as it to accommodate their motions to the new state of things about to be inaugurated—slow men cannot live among railroads, and if there is one such among us he would do well to "clear the track for the engine." Its whistle is death to dullness and inactivity. When we hear the shrill annunciation of its arrival on the Wisconsin bank of the great river with crowds of passengers and tons of freight, destined for Iowa or Minnesota—then will event is shadow forth our brilliant future.

Helping the Ticket.—The Madison *Journal* says the Ex-Gov. Barstow on Sunday morning last walked to the Catholic Church arm-in-arm with Tom Heeran, democratic candidate for member of Assembly in Madison, by way of helping the ticket. Doubtless people have a right to attend what church they please in this country, but it remains to be seen whether such absurd performances will have helped Heeran, or his ticket.

Presbyterian (O. S.) Synod of Wisconsin.

This Synod, comprising the Presbyteries of Milwaukee, Dane, and Winnebago, met at Janesville on the 9th inst. Rev. Dr. Van Rensselaer, Corresponding Secretary of the Board of Education, was present, and preached the opening sermon. Rev. Reuben Frame, of Fond du Lac, was chosen Moderator. Among the items of business transactions were the following:

The Synod concurred in a proposition to take preliminary steps for the organization of a Theological Seminary for the North West; a Convention in relation to the subject to meet in Chicago in November.

Action was taken in relation to engaging the services of a missionary agent, to visit and encourage feeble churches in this State.

The Synod adopted a "Systematic plan of Benevolence," identical with that adopted the Synod of Illinois, by means of subscription cards, to be presented to every member of each congregation; on which is printed the objects—such as Missions, Education, Publication, &c.—which may be expected to elicit his or her liberality during the year, with the set time when it may be expected, appended to each—opposite to which the subscriber is to put the amount of his or her voluntary offering for that object during the present year.

The Synod concurred unanimously with the Trustees of Carroll College in the election of Rev. Charles D. Pidgeon to the Professorship of Languages; and in that of Rev. W. J. Monteith to the office of Vice President. And after a statement from the President and Fiscal Agent of the financial condition of the institution, "Resolved, that under the supervision of the Synod, Rev. Dr. Savage, President and Fiscal Agent of Carroll College, be directed to make an effort to raise the sum of Twenty Thousand Dollars, previous to the next meeting of Synod, for the purpose of meeting the immediate expenses and further endowment of this institution."

The Dead from the Toledo.—The Chicago *Journal* has the following in relation to some additional bodies washed ashore from the wreck of the propeller *Toledo*:

Pt. Washington, Oct. 30.

Eds. Journal:—There came ashore at this place this A. M., in addition to the 16 I sent you an account of yesterday, three bodies, one a girl about 18, a boy 10 or 11, and a man about 25 years old. By papers in his pocket it would seem his name was James Metcalf.

The bodies of the Captain, 1st Mate and Engineer have not been found. The goods are being saved as fast as found.

Yours truly,
Geo. E. Pomeroy.

Never Fails in Dyspepsia.

Salem, N. J., Feb. 24, 1855.

Dr. C. M. Jackson—Dear Sir—I take great pleasure in sending you these few lines, recommending to all afflicted with that terrible disease, *Dyspepsia*, the valuable properties of *Hoofland's German Bitters.* For a long time I was sorely afflicted with that disease, and in expectation of obtaining some relief, used a great many preparations highly recommended for that purpose, but all in vain.—Being advised to try the German Bitters, I reluctantly purchased a bottle. I felt so much relieved by the use of that, that I obtained more of it, and now, after taking five bottles, I feel and consider myself a healthier man than I have for the last ten years.

Yours, respectfully, ANDREW YOURSON.

Dalley's Magical Pain Extractor.

THE great and principal characteristics of DALLEY'S MAGICAL PAIN EXTRACTOR consist:

1st. Of its never-failing and unique property, as soon as applied to any external injury, to check inflammation instantly, and rapidly to reduce it. This feature constitutes its great power to alleviate the pain of burns and scalds, and of other painful diseases, in so incredibly short a space of time, and as will appear from the few testimonials hereunto annexed. Every intelligent mind is fully aware that, in all cases of external injury, the pain is produced by inflammation of the injured parts; and, therefore, if you remove the cause the effect must cease.

2d. Its purificative properties neutralize the poison that may lurk in the system, and will, when applied to the sores, draw rapidly all impure matter to the surface, and eject it—hence the great discharge it produces from sores occasioned by burns—and when applied to old, inveterate sores, Salt Rheum, or other cutaneous diseases.

Each box of Genuine Dalley's Pain Extractor has upon it a Steel Plate Engraved Label with the signature of C. V. CLICKENER & CO., proprietors, and HENRY DALLEY, manufacturer. All others are counterfeit.—Price 25 cents per box.

☞ All should be addressed to C. V. Clickener & Co., 81 Barclay street, New York.

Chills and Fever.

TO THOSE who are afflicted with this disagreeable and baffling malady, we would state, that after years of hitherto unavailing research, a medicine has been discovered which will, in every case, effect a certain and permanent cure of this dreaded disease. It is not a quack nostrum prepared to extract money from sufferers, for the proprietor offers to refund the money if a cure is not effected after following the directions. He is assured by the evidence of hundreds of cures which they have effected, that this medicine is in reality the remedy so long desired in the Western country. This valuable medicine is prepared in the form of a pill, from the bark of a shrub, which has proved to be a perfect antidote to Malaria. They are simple and plain in their nature, powerful and active in their operation, and perfectly harmless to the system, having no other than a specific effect upon the disease which is truly wonderful. Some persons have stated that these pills must contain arsenic, or some powerful mineral, owing to their quick effect in curing this disease. The proprietor would state that he will pay one thousand dollars to any chemist who will find one particle of mineral in this composition.

Certificates of cure from persons of the highest respectability can be obtained by calling at the Drug Store of HENRY FESS, Jr., No. 195 East Water street.

N. B. One great recommendation for these pills are, that they only require about five to effect a cure. Enquire for THAYER'S OMEGA PILL, for the immediate cure of chills and fever or intermittent fevers of every description. Prepared and sold wholesale and retail by Fred. W. Thayer, 697 Washington street, Boston.

HOLLAND BITTERS!

BOERHAVE'S

HOLLAND BITTERS,

THE CELEBRATED HOLLAND REMEDY FOR

DYSPEPSIA,

DISEASE, OF THE KIDNEYS,
LIVER COMPLAINT,

WEAKNESS OF ANY KIND,

FEVER AND AGUE,

And the various affections consequent upon a disordered

STOMACH OR LIVER,

Such as Indigestion, Acidity of the Stomach, Colicky Pains, Heartburn, Loss of Appetite, Despondency, Costiveness, Blind and Bleeding Piles. In all Nervous, Rheumatic and Neuralgic Affections, it has in many instances proved highly beneficial, and in others effected a decided cure.

This is a purely vegetable compound, prepared on strictly scientific principles, after the manner of the celebrated Holland Professor, Boerhave. Because of its great success in most of the European States, its introduction into the United States was intended more especially for those of our fatherland scattered here and there over the face of this mighty country. Meeting with great success among them, I now offer it to the American public, knowing that its truly wonderful medicinal virtues must be acknowledged.

It is particularly recommended to those persons whose constitutions may have been impaired by the continuous use of ardent spirits, or other forms of dissipation. Generally instantaneous in effect, it finds its way to the seat of life, thrilling and quickening every nerve, raising up the drooping spirit, and, in fact, infusing new health and vigor in the system.

NOTICE.—Whoever expects to find this a beverage will be disappointed; but to the sick, weak and low spirited, it will prove a grateful aromatic cordial, possessed of singular remedial properties.

CAUTION!

The great popularity of this delightful Aroma has induced many imitations, which the public should guard against purchasing. Be not persuaded to buy anything else until you have given BOERHAVE'S HOLLAND BITTERS a fair trial. One bottle will convince you how infinitely superior it is to all these imitations.

CALEB WALL.

City Auction Room.

I HAVE this day sold out all my Auction and Commission business to L. Stanton & Co., who will continue the business at the same stand, corner of East Water and Wisconsin streets. They are young men who come highly recommended and possess with skill, sufficient capital to carry on the Auction and Commission business to any extent. I would therefore recommend them, believing that they will conduct their business honorably. I have consented and made arrangements with them if not otherwise engaged, to sell any large stock of goods or furniture for them, I would therefore say to my friends that have any goods or furniture, if they prefer to make an arrangement with me for the selling of such it can be done.

I still continue to keep my Land Office and Real Estate business in the same stand, and will now be able to pay more attention to it than I have heretofore done. In a short time, as soon as I can get a suitable room, I intend to open a Real Estate Auction Room.

Milwaukee, Nov 1st, 1856 CALEB WALL.
nov4

We have this day purchased from Caleb Wall all his Auction and Commission business, so far as it relates to Goods, Wares and Merchandize, and we are prepared to do the business and make advances upon the same terms Mr. Wall did. We have also made arrangements with Mr. Wall to do the selling at auction for us. Any reference wanted, shall be given satisfactorily, and we solicit a liberal patronage of his old customers and the public generally.

The business will hereafter be conducted under the firm of L Stanton & Co., Successors to Caleb Wall.

CARTER'S SPANISH MIXTURE

THE GREAT PURIFIER OF THE BLOOD!
THE BEST ALTERATIVE KNOWN!
NOT A PARTICLE OF MERCURY IN IT!

An infallible remedy for Scrofula, King's Evil, Rheumatism, Obstinate Cutaneous Eruptions, Pimples or Pustules on the Face, Blotches, Boils, Ague and Fever, Chronic Sore Eyes, Ringworm or Tetter, Scald Head, Enlargement and pain of the Bones and Joints, Salt Rheum, Stubborn Ulcers, Syphilitic Disorders, and all diseases arising from an injudicious use of Mercury, Imprudence in Life, or Impurity of the Blood.

This great alterative Medicine and Purifier of the blood is now used by thousands of grateful patients from all parts of the United States, who testify daily to the remarkable cures performed by the greatest of all medicines, "CARTER'S SPANISH MIXTURE." Neuralgia, Rheumatism, Scrofula, Eruptions on the Skin, Liver Disease, Fevers, Ulcers, Old Sores, Affection of the Kidneys, Diseases of the Throat, Female Complaints, Pains and Aching of the Bones and joints, are speedily put to flight by using this inestimable remedy.

For all diseases of the Blood, nothing has yet been found to compare with it. It cleanses the system of all impurities, acts gently and efficiently on the Liver and Kidneys, strengthens the Digestion, gives tone to the stomach, makes the Skin clear and healthy, and restores the Constitution, enfeebled by disease or broken down by the excesses of youth, to its pristine vigor and strength.

For the DISEASES OF FEMALES it is peculiarly applicable, and wherever it has become known is regularly prescribed with the happiest effects. It invigorates the weak and debilitated, and imparts elasticity to the worn out frame, clears the skin, and leaves the patient fresh and healthy. A single bottle of this inestimable remedy is worth all the so-called Sarsaparillas in existence.

The large number of certificates which we have received from persons from all parts of the United States, is the best evidence that there is no humbug about it. The Press, hotel keepers, magistrates, physicians, and public men, well known to the community, all add their testimony to the wonderful effects of this GREAT BLOOD PURIFIER.

Call on the Agent and get an Almanac, and read the details of astonishing cures performed by CARTER'S SPANISH MIXTURE, (IN MOST CASES WHERE EVERY THING ELSE HAD SIGNALLY FAILED.) The limits of an advertisement will not admit their full insertion.

It is no new and untried article, but one that has stood the test of a ten year's trial before the American people, and its reputation and sale is unrivalled by any similar preparations extant. The testimony in its favor given by the most prominent and well known Physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac published annually by the proprietor, and to be had gratis of any of his Agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained.

TO THE PUBLIC.

THIS is to certify, that in consideration of the many misfortunes which have attended me in the erection of my Saw Mill, at Mapleton, in the town of Oconomowoc, Waukesha County, I deem it proper and in justice to any, that the troubles arising in the starting of my Mill, did not lay in the fault of the machinery or water wheel, patented by J. D. Goodwin, and manufactured by Decker & Seville, but from other causes, and I do most cheerfully recommend said water wheel, to the Milling community, as being the best wheel now in use for driving any kind of machinery, and that it has fully come up to all the recommendations given to it. I shall take great pleasure in showing my Mill, to any one desirous of using the best water wheel in the State. In conclusion I would say to all parties building Mills, to profit by my experience, and employ none but good, honest, steady and efficient Mill wrights, and you will save money.

THE proprietors of the Milwaukee Commercial College would respectfully announce that the liberal patronage, that has been extended to this deservedly popular enterprise, has led them to extend the field of study, so that it will embrace every branch of a thorough Commercial Education. As there are no classes formed in any department of study—(thereby enabling the student to enter any time, each one receiving separate instructions)—the student, on entering, is placed in the Counting Room with actual transactions to work from, thus making his education not merely theoretical but practical to the last degree. The Commercial Course comprises Book Keeping by Double Entry, in its various forms as adapted to Wholesale, Retail, Commission, Manufacturing, Custom House, Banking, Railroading, in stock partnership, and compound Company business, Commercial Calculations in per centage, Exchange, Bank and Regular Discounts, Averaging Accounts by Simple and Compound Equations, &c., according to the most approved methods. Commercial Correspondence, including account sales, account currents, drafts, bills of exchange, &c., &c.

Also, a perfect system of detecting Counterfeit Bank Notes, will be given to each student.

A good Hand Writing guaranteed to every person completing a full course.

During the Seasons, Lectures on Commercial Law will be delivered by eminent legal and business men, and no pains will be spared to make this department particularly attractive.

MEDICAL.

THE ORIGINAL ELECTRIC OIL, Made only by Prof. DeGrath.

WHAT Col. E. H. Grant says.—I had the Neuralgia three years ago so badly that the physicians not anything else I tried could relieve me. I bought a bottle of your Electric Oil of you in Chestnut st., at that time and before using two bottles was perfectly cured that has been three years since. Yesterday I had a slight attack of Rheumatism, and I purchased another bottle to cure that. I have known several of my friends, Mr. Cripps and others, to be cured by your Oil, when scarce able to walk. You are the first producer of the Electric Oil to my knowledge.

Col. Grant can be seen at No. 20 North Thirteenth st. Ask him. Ask Mrs. Hutchen Seventeenth and Thompson sts., who was helpless, and cured by one bottle. Ask Mrs. Gannon, Coates st., one dose saved the life of her child, dying of croup. Ask all Philadelphians who have tried my genuine Electric Oil.

Rheumatism, Palsy, Pains, Neuralgia, Baldness, Toothache, Burns, Piles, Stiff Joints, Cramps, Swellings, &c., cured in a few days. Be ware, and take none but the genuine pure DeGrath's Electric Oil. All others are mere deceiving nostrums.

At the old established Depot 39 South Eighth st., four doors below Chestnut. Prof. Chas. DeG. with sole proprietor in the world. Prices, 25c, 50c, and $1.

ONE GOLD MEDAL,
TWO SILVER MEDALS,
TWO BRONZE MEDALS,
AND A DIPLOMA.
AWARDED TO
CHICKERING & SONS,
AT THE
Recent Exhibition of the Mechanics' Association,
IN BOSTON.

THE Boston Transcript, of October 15, in noticing it, says as follows:

"The display of musical instruments at the recent Exhibition of the Massachusetts Charitable Mechanic Association was unquestionably the most extensive and the best, in the number of the instruments and the perfection of workmanship, ever witnessed in this country. All our leading piano forte makers exhibited from two to eight instruments, including all the grades they manufacture. The Committee, of which Jonas Henry K. Oliver of Lawrence, was the chairman, included men of the highest character and extensive knowledge of musical matters, so that they may be fully regarded as entitled to consideration. Messrs. Chickering & Sons have received the gold medal for Grand Piano Fortes, also two silver Medals, two bronze medals and a diploma for piano fortes of other styles and grades."

TO THE PATRONS OF ART.

E. C. ARNOLD, Bookseller, 184 East Water St., has recently completed the personal selection of an extensive and valuable invoice of Prints, among which are some of the finest specimens that ever came from the burin of the engraver. There are no duplicates of the set to render the choice still more desirable. If there is any degree of complacency on the subject, it arises from the consideration that the selection was made almost without regard to cost, with the intention to procure works of the greatest merit. Those singled out for enumeration compose but a small portion of the whole, which embrace Pictures after the chefs d' oeuvre of the old masters and most eminent modern artists in Line, Stipple, Mezzotint and Lithograph, tinted and dark ground, varied in subject and handling, according to the humor of the artist and requirements of the theme, and adapted to the Gallery or Drawing Room.

1 to 6 Christus Consolator and Remunerator, Mater Dolorosa, The Three Marys, Oh! Jerusalem, and the Dead Christ, after Ary Scheffer. In these is united the interest which naturally attaches to sacred subjects, and that which the genius of a great artist evokes.

7 to 11 Faust and Marguerite, (9,) Mignon, (8,) also after Ary Scheffer. Those who are familiar with this artist's "Dante and Beatrice," will need no incentive for possessing themselves of the beautiful conceptions so finely reproduced here.

12 and 13 Christ Blessing Children, and Weeping over Jerusalem, after Claxton and Eastlake, respectively. In this novel and appropriate form will make attractive ornaments.

14 U. S. Senate of 1850, a finely colored proof copy.

15 Sir Walter Scott and his friends, after Faed, the painter of "Evangeline." This picture derives an enhanced value from the fact that it contains actual portraits of many of the literati of the period.

16 and 17 Washington and Clay. Full lengths, in Mezzotint.

18 Cromwell's Last Interview with his Favorite Daughter, full of force and character.

19 Raphael's Introduction to Leonardo DaVinci. The interest felt in whatever relates to great artists is heightened by the admirable grouping and accessories of this picture.

20 and 21 With and Against the Stream, a truthful illustration of the sunshine and shadows of domestic life.

22, 23 and 24. The Mother's Dream, Believer's Vision and Mother's Grave. These pictures, appealing to the religious sensibilities of all, cannot fail to be great favorites.

25, 26, 27 The Sisters, (Illustrative of Keble's "Be ye avsmout,") The Glorious Company of the Apostles, Prophets, and La Lecture de la Bible, (after Dubufe.)

28 Le Neuf que rétablit his Adventures. A large and fine composition.

29 Divorce of Josephine, including eleven characteristic portraits.

30 The County Election; a thoroughly American subject.

31 to 34 Coming to the Point, Power of Music, Music is Contagious, and Farmer's Nooning. A distinguished peculiarity of Bingham's and Mount's productions, though strictly artistic in treatment, is their strict fidelity to certain phases of American life and character.

35 and 36 Morning in Spring and Evening in Autumn. The Landing maiden and mature matron.

37, 38 Head of Christ and Angel Gabriel, (Paul de la Roche.)

39 to 42 Holy Family, Madonna Della Sedia and Candelabra, and St. Cecilia.

43, 44 The Mother's Joy, and St. Cecilia, (Paul de la Roche.) Anything said of these masterpieces would be like the kindred attempt to "paint the Lily, or add," &c.

45, 46 The Immaculate Conception, (after the picture in the Louvre,) and Madonna of Madrid, (both Murillos.)

47 The Annunciation, (Jalabert,) a most exquisite conception.

48, 49, 50 Washington's Inaugural, First Prayer in Congress, and Cornwallis is Taken. Three Revolutionary incidents effectively rendered.

51 to 60 Washington as Citizen, Soldier, Farmer and Christian. The five senses, illustrated.

60, 61 Lady Evelyn Gower, and the Dogs of St. Bernard, (Landseer.)

62, 63, 64 The Retreat, Lion Chase, and Boar Hunt, (Horace Vernet.)

65 The Victory, (Paul de la Roche.)

66 Judith, (Horace Vernet,) full of power.

67, 68 Le Bon Menage and Le Mauvais Menage; strong light and shade.

69 La fille de Saragossa, (Wilkie.)

70 The Cost of a Victory tells its own tale.

71 to 73 Photographs of The Resurrection, Blessing Children, and Statuary, excellent.

74 Se-Saw, (Webster,) a very good design, and brings back many pleasant reminiscences.

75 The Mountain Stream, (after the Daguerreotype process.)

76, 77 Fallen Angel and Tears of Repentance, (illustrating Moore,) very graceful creations.

78 Fete of the Pet Lamb. A fine colored copy of this rare print.

79 Oh! a feeling delineation of one of the casualties of boyhood.

80 Both sides of the Channel, a rustic characteristic of England and France.

82, 83, 84 Samuel, Timothy and Milton, three gems in uniform style.

E. C. A. does not question that the good people of Wisconsin will sustain their previous reputation for appreciating efforts to cater to their tastes and love of the beautiful.
